Available for Adoption:

Tuffy. A 4 year old POA gelding, 14/2 hands. He would make a wonderful barrel horse or hunter jumper. He came to us with an abscessed tooth, but let us treat his wounds daily - he has the sweetest temperament. Tuffy is 100% sound now, but only green broke. He is very willing to learn. Contact HEART of Tucson if you are interested in adopting this handsome boy.
